Believing"

INSTALLERS WANTED!!! CONTRACT BASIS

Tsunami Solutions Ltd. is looking for CERTIFIED ALARM INSTALLERS in most areas to install, on contract basis, SecurityLine Internet-based Video Verification System Add-ons to clients' existing building alarm panels and hardware.

TASKS:

- Install cameras.
- Connect camera(s) to alarm panels and network routers.
- Re-program panels to work with the SecurityLine system.
- Configure internet routers.
- Install other traditional alarm hardware.

REQUIREMENTS:

- Alarm Installer Certification.
- Some experience with computers recommended.
- Experience with other alarm hardware installation.
